Dear Mr. Donovan:

In further reference to your recent communication regarding the death of Mr. Underhill last May, I have now received a letter from the Metropolitan Police Department of the District of Columbia. You will note that Chief Layton has provided me with what information he could.

However, since investigations conducted by the Homicide Squad in this type of case are of a confidential nature, Chief Layton has indicated that you should go to the Homicide Office in person, and if it is determined that you are entitled to more information than what is contained in the public record, the matter will be discussed further with you.

I hope this information will be helpful to you.

With kindest regards,

Sincerely,

William F. Ryan
